

PortGen: Construction and Small Works Virtual Meet & Greet

January 25, 2021

The Port of Seattle is partnering with the National Association of Minority Contractors (NAMC-Washington) to host a virtual meet and greet with leaders from the Port Construction Services and Small Works departments. Our Prime Job Order Contractor (JOC) will also be present.

The purpose of the event is to introduce contractors to various departments and opportunities within the Port of Seattle. Participants will be able to virtually speak to Port personnel in these departments and learn of upcoming Small Works, Port Construction Services, and Job Order Contract opportunities, the requirements, and what to expect if awarded a contract.

You will also have an opportunity to learn about 2021 activities that are on the horizon for the Diversity in Contracting department.
