Representatives will provide an overview of the company, its current and upcoming projects and pursuits in Washington, as well as its long-term perspective and relationship building with local SBEs, DBEs and subcontractors. Attendees will get insight on The Weitz Company and Contract Watts, Inc. project review, prequalification requirements, bid process review, and navigating first steps toward a successful partnership. This is an opportunity to connect with and learn from large prime contractors such as The Weitz Company and Contract Watts, Inc.

Currently, The Weitz Company and Contract Watts, Inc. are preparing to bid on the Port of Seattle project for the construction of the Post IAF Airline Realignment, Seattle-Tacoma International Airport (SeaTac, WA) and in support of Contract Watts, Inc.'s prime contractor proposal to the Waterfront Multiple Award Construc-

tion Contract managed by NAVFAC Northwest and awarded through Task Orders.

PTAC will wrap up the event with a brief overview of SB/DBE certification and other public resources.

This event is in partnership with Washington PTAC and American Indian Chamber Education Fund PTAC, The Weitz Company and Contract Watts, Inc. The Weitz Company and Contract Watts, Inc. are Equal Opportunity Employers and encourage participation from all subcontractors and suppliers including emerging small businesses, M/W/DBEs, HUB-Zone, VOSB, SDVOSB firms, HBCU/MIs, AbilityOne program participants, ANCs and Indian Tribes.
