

BUS RAPID TRANSIT (BRT) GENERAL ENGINEERING CONSULTANT (GEC) SERVICES

SBE/DBE Professional Services Open House

On January 28, WSP will host a SBE/DBE Professional Services Open House for staffing in pursuit of **Sound Transit's Bus Rapid Transit (BRT) General Engineering Consultant (GEC) Services** project. Please join us to network and explore the potential roles on the project. If your firm is certified, or wishes to become certified as a SBE/DBE we encourage you to attend.

WSP is located in the Wells Fargo Building in downtown Seattle. Although parking is available, we strongly encourage attendees to use public transit, as our office is conveniently served by over 100 Metro, Community Transit, Pierce Transit, and Sound Transit routes, plus Link light rail.

Qualifications

To help get the most out of the event, we have a few questions to aid our team in firm selections.

Firm Name?

Which category of business are you?

- Disadvantaged Business Enterprise (DBE)
- Small Business Enterprise (SBE)
- Both (S/DBE)
- Neither, but would like to become registered
- Do not qualify as a S/DBE

Project disciplines of interest to your firm?

If you are attending our event, who will be attending?

(Please enter the names of those attending, so that we can have name tags ready for you when you arrive. If you are not sure of exact names, please indicate the number of people you expect to attend).

Please return this information with your RSVP by **January 24th**, or if you are unable to attend, you can email qualifications and a letter of interest to seattlemarketing@wsp.com, please mention the "Sound Transit BRT GEC" in the subject line.
