Building Our Future

**A Trade Partner Outreach Event
with Bayley and OMWBE**

IN PERSON EVENT

Bayley was awarded the Lake Stevens School District Safety and Program Improvements and Additions GC/CM and the Everett Outdoor Event Center projects starting in 2026 and wants to connect with local businesses and diverse contractors to hire for all scopes of work. Bayley is actively seeking partnerships with certified businesses.

Even if you are not certified, please join us to learn more about the projects available and how certification can help increase your visibility when bidding and winning public contracts. Project Managers will be at the event for you to speak with and ask questions.

Where:

The Mill At Lake Stevens
1808 Main Street, Lake Stevens, WA 98258

Who should attend:

Subcontractors, suppliers and local businesses interested in the commercial construction industry!

Women- and minority-owned
businesses are encouraged
to participate!

Register Today!

**Light refreshments will be served.
Please plan to arrive before 11 to sign in.
