

NAMC Webinar Series

Completing the Personal Net Worth Statement Under the New IFR

NAMC will host an informational webinar on **Monday, November 24** at 1:00 PM Eastern, focused on helping DBE firms understand how to properly complete a Personal Net Worth (PNW) Statement in light of USDOT's Interim Final Rule and the new recertification requirements. The session will clarify what must be reported, what is excluded, and how the current PNW cap of \$2,047,000 is applied. Topics include the treatment of trust assets, exclusions for qualified retirement accounts and community property, and expectations for future adjustments to the PNW cap. This webinar is designed to help DBEs prepare accurate and compliant submissions under 49 CFR Part 26.
