

October 18th, 2024

FBI,

My name is Amber Lynn Green and I currently reside at [REDACTED] Boulder CO 80303. My email address is ambershaffner@gmail.com, my phone number is 720-461-8006. My date of birth is [REDACTED] and my SSN is [REDACTED]. I have been trafficked for several years and I am still currently being trafficked. I formerly worked for the nonprofit [REDACTED] Foundation that located in Dallas Fort Worth and was started by the former Special FBI Agent [REDACTED]. I am trying to get into contact with [REDACTED], as he is known, and immediately get help. All my communications are being blocked and controlled. I have a chip in me that I became aware of in February of 2024 and I have no idea who or when it was placed in my body. I just became aware of the chip in February of 2024. It is urgent and critical that I get the chip to the FBI. I am reaching out by USPS to the mailing addresses of all FBI field offices that were presented to me on the computer of the East Boulder Library, 4800 Baseline Rd, Boulder CO 80303, on the morning of October 16th, 2024, to receive help with reaching [REDACTED] and receive help getting the chip to the FBI. My communications are completely controlled, and an Agent will have to come in person. Please come as soon as possible. Please send an Agent from a different branch than the FBI office in Denver because according to some sources the Denver FBI office has problems. Please try and send [REDACTED] because I trust him.

Sincerely,

A handwritten signature in black ink, appearing to be 'Amber Green', with a long horizontal line extending to the right.
