

2022 Laurel Arts League City Wide Art Contest

To: All Laurel Art Teachers
From: Hillary Steinwinder

Thank you for your participation in the 2022 City Wide Art Contest. The enclosed 12x18 paper has been provided for your students to create their masterpieces! In honor of the contest's beginnings, we're going back to its very first theme, "**Our Town**". In 1971, students were asked to take inspiration from an original poem, and we are following in that tradition again this year.

Contest Theme: "Our Town" (*See reverse for additional description.*)

Guidelines For Artwork:

- Eligibility: All students K5-6th Grade
- All media is allowed.
- Writing is not allowed on the front of the artwork. Encourage students to tell us their story through art.
- All artwork is to be completed while the child is at school

Entry Guidelines:

- Each entry must include on the back upper right hand corner: **Name, grade, teacher, and school**

Judging:

- Like last year, we are asking all schools NOT to hang/display the artwork. Instead, we will be picking up the artwork and returning it after it has been judged. **No judging will take place at the school.**
- Please have all artwork grouped together by grade and ready to be picked up from your school's office by the deadline below.

Contest entries will be picked up: Thursday, March 10, 2022.

If you have any questions, please feel free to contact me or your LAL representative.

Thanks!

2022 CONTEST THEME

“OUR TOWN”

Don't you love our town?
We want you to draw your favorite place around.

Sketch a church, the museum, or your favorite park.
You can even draw Laurel after dark!

Capture a mural, festival or downtown store.
These are just a few options - there are so many more!

Let your imagination run free.
We can't wait to see what it will be!

*Inspired by the theme and adapted from the original poem from the first
City Wide Art Contest in 1971.*
