The Laurel Arts League is proud to present the **Mandy Buchanan Creative Arts Scholarship** in honor of one of our beloved past members. Mandy dedicated her life to her family, friends, community, and her love of the arts. Her true servant's heart could be seen in her commitment to share her talents with her community and in every life that she brightened. Her talents will be most remembered through her beautiful artwork that is lovingly displayed in countless homes, churches, and businesses, bringing smiles to the faces of anyone who encounters them. Mandy's paintings, much like Mandy's personality, bring sunshine and joy to any room where they are displayed.

As a former educator at Laurel High School and Jones College, Mandy mentored many students and helped to instill and foster a love of the arts. The **Mandy Buchanan Creative Arts Scholarship** is awarded to a high school senior student who demonstrates exceptional talent and passion in the arts. The scholarship is intended to support young artists who share Mandy's love for the arts and is awarded on a competitive basis and requires the submission of an art portfolio, a personal statement, and letters of recommendation. Through this scholarship, we hope to honor Mandy's memory and inspire the next generation of artists to pursue their creative passions and share their talents with the world.

- Set the camera up in a static long/horizontal shot, so that all of you can be seen. Please use a tripod.
- Avoid multiple camera angles, close-ups, and a lot of editing.
- Be sure to establish your marks (boundaries on the floor), so you do not step off frame, and allow yourself to move according to how you have blocked.
- Be sure that you are well lit. It is helpful to use a neutral background like a blank solid wall.
- Wear colors that will contrast with your background wall.
- Rehearse on camera and review takes to assure you are comfortable being on camera.
