

The Lyrics

Everything I Own

Words and Music by Avery Stafford

Verse 1

Standing on an auction block
Waiting for buyers to bid on the value of life
Can this be happening to me?
The final bid came from a man named Jesus
So tender and kind
And I was amazed at the price He was willing to pay
He said ... (chorus)

Chorus

"I will give everything I own.
Isn't your life worth dying for?
I will be glad to take your place."
(And with the touch of a nail-printed hand,
I was free
My Jesus gave everything for me

Verse 2

The hush of the crowd rang violent
As they remembered the shedding of innocent blood
Could He have risen from the dead?
I fell to my knees in silence when He uttered "I love you"
So tender and kind
With the power of God and the gentle voice of a lamb
He said ... (chorus)
