

# The Lyrics

## You Blessed Me

Words and Music by Avery Stafford

### Verse 1

I came into this world with nothing – not an expectation in me  
Surrounded by all Your marvelous blessings  
They're free flowing – a river that never runs dry  
All the countless people who've been in my life  
I recognize all Your generous blessings

And Lord, when I was down, I could barely breathe  
And O Lord, it hurt so bad, yet You lifted me  
It seems like every dream, every wish that came true  
Eventually You took them away – yet I am so thankful (refrain)

### Refrain

I am thankful that You blessed me  
So grateful that You blessed me  
I am thankful that You blessed me  
So grateful that You blessed me

### Verse 2

I heard this morning a songbird praising Your name  
He kept singing louder without any shame  
Telling all about Your marvelous blessings  
I remember good times I've had with my friends  
A never-ending love that one day came to an end  
But here and now, I know that they were blessings

And Lord, my lonely hours – they fade away  
And O Lord, I'm in Your hands like the potter's clay  
So take me to the mountain – to the top of the world  
Where I can see the Morning Star showing all of Your blessings (refrain)
