

Shattering Your Vanity

Ecclesiastes 1:1-11

Main Point: Apart from God, nothing has meaning.

Life apart from God is meaningless because your work:

I. Is NOT rewarded (vv.1-3)

II. Does NOT satisfy (vv.4-8)

III. Will NOT change anything (vv.9-11)

Q1: What's your main takeaway from the sermon/text that was preached?

Q2: What evidence exists that shows that we are indeed not better than the generations before us? How should this change how we view and live our lives?

Q3: In what ways can we get our eyes beyond life under the sun?

Q4: What pursuits are you tempted to chase that Solomon might label as chasing after the wind? How can we pray for you in this resistance of meaninglessness?

Q5: How else might we pray for you?
