

Failing at Fixing Your Life

Text: Ecclesiastes 7:15–29

Since life down here doesn't make sense, Solomon gives us three cautions:

I. Beware of Legalism (vv. 15–16)

II. Beware of Lawlessness (v. 17)

III. Be Pleasing to God (vv. 18–29)

Q1: "Are you a lover or a fighter?" When life gets hard, which way do you tend to lean to fix it — fight or flight? Why do you think that is the case?

Q2: What was your main takeaway from the text or sermon that was preached?

Q3: How does legalism confuse the law of God and the Gospel?

Q4: Why might people abandon God's standards when life feels unfair?

Q5: How can we pray for you?
