

Proclaim The Lord's Death

1 Corinthians 11:17-34

We should partake in the Lord's Supper:

- I. Unified Together (vv.17-22, 33-34)**
- II. Announcing Jesus' work (vv.23-26)**
- III. Examining Ourselves (vv.27-32)**

Q1: What are your main takeaways from the Sermon/text that was preached?

Q2: In what ways can people with lower income be unnecessarily singled out in church?

Q3: One issue in the divisions in Corinth was selfishness. How should a Christian combat selfishness?

Q4: In the Lord's Supper, the Christian takes a minute and remembers both who the Lord is and what he has done. To go a long with that same theme, besides salvation, let us take a minute to recount the Lord's wonderful deeds. What has the Lord done for you?

Q5: How can we examine ourselves as Christians without despairing ending up in despair?

Q6: How can we pray for you today?
