

“No Smoking in Church”

Ecclesiastes 5:1–7

Main Point: Be careful that you don’t approach God casually.

Three Cautions from Solomon

Solomon shows us three ways to guard against casual worship:

- 1. Be careful how you come to God (v.1)**
- 2. Be careful how you communicate with God (vv.2–3)**
- 3. Be careful how you commit to God (vv.4–7)**

Q1. What is your main takeaway from the sermon or the text that was preached?

Q2. What practical habits can help you guard your steps before God in daily devotion and in corporate worship?

Q3. What might “rash” or “hasty” speech look like in prayer or a dedicated worship time?

Q4. What does God taking our commitments so seriously say about Him?

Q5. How can we pray for you this week?
