

Humility Looks Good on You

Text

Ephesians 4:1-2

Main Idea

Humility is the shoe that fits, not the doormat that you become.

You should lower yourself:

- I. **Because of your calling (v.1)**
- II. **Because of your neighbor (v.2)**

Q1: What is your main takeaway from the sermon/text that was preached?

Q2: The sermon says that a reason we don't lower ourselves in humility is that we might get walked on. What Biblical hope do we have when we are mistreated? (Hint there is hope in Psalm 34).

Q3: Pastor Rob quoted Philippians 2:1-11 in the sermon. Let's mediate on the text together. List all you can discover about humility from these verses.

Q4: How does Jesus' humility make humility feel less like a threat and more like freedom?

Q5: How can we pray for you?
