Ephesians 2:11-22

This passage reminds believers to remember three realities:

1. Our distance from God before Christ
2. Our deliverer in Christ who brought us near
3. Our design as God's people, united together in the church

Q1: What was your main takeaway from the sermon/text that was preached?

Q2: Based on this passage, what would you say to someone who avoids discussing their testimony because they became a Christian very young or see their testimony as unexciting?

Q3: Why do you think God chooses to place believers within a community rather than leaving them to follow Christ individually?

Q4: The sermon mentioned BINO's and SINO's (Brothers in Name Only and Sisters in Name Only). How can we move beyond superficial and shallow relationships where we call each other brother and sister but do not treat each other as family?

Q5: How can we pray for you?
