Q1: What are your main takeaways from the sermon/text that was preached?

Q2: In the sermon, the world's system is defined as the predominate way of thinking in the world around us. How do the Scriptures tell us Christians are to relate to the world's system? In light of that, how can we combat the all-consuming desire to be celebrated by the world?

Q3: Have you ever had a moment when you have felt shame or embarrassment because of following Jesus? How did you get past it or what did you learn from it in hindsight?

Q4: Who have you seen reflect glory to God and away from themselves that you would like to imitate?

Q5: How can we pray for you?
