

# VOLUNTEERS NEEDED

Volunteering opportunities are available for ages 8 and above to all our ongoing and future programs. Volunteers are the backbone of our organization and programs.

When a volunteer is willing to commit their time, it reminds us that men or women, young or old are all compassionate, caring and dedicated to make a difference to someone they encounter.

If you or your child are looking for a fun and rewarding volunteer experience, you have reached the right place! You can make a significant impact in another person's life through our programs and activities.

**We do issue community service hours upon request to all volunteers.**

Please visit our website [www.weembracefamilies.org](http://www.weembracefamilies.org) and join WEEMBRACE as a parent or as a volunteer by sending an email to [info@weembracefamilies.org](mailto:info@weembracefamilies.org) or [weembracefamilies@gmail.com](mailto:weembracefamilies@gmail.com)

## WHO ARE OUR VOLUNTEERS

Anyone above 8 years of age can be part of our volunteering team.

We welcome :

- Kids and teen volunteers
- Adult volunteers
- Special education teachers
- Physical, occupational and speech therapists, social workers, play therapists and other professionals who work with children/adults with special needs
- Para educational aides and tutors
- Students from Physical therapy, Occupational therapy, Speech therapy, social work schools
- Arts, crafts, dance, music, yoga, zumba, photography, coding instructors

In addition, if you have a skill or service that you would like to offer, give us a call. We would love to hear from you.

## MAKE A DIFFERENCE

WeEMBRACE believe that all people regardless of their challenges should have the opportunity to develop their full potential. All our programs are geared toward building friendships and promoting inclusion in the community.

We welcome any donations either through check payable to WeEMBRACE or through our PayPal account [donateweembrace@gmail.com](mailto:donateweembrace@gmail.com)

You can help us create opportunities for brighter futures for many children and adults with special needs.

Donations offset our expenses for programs and activities which promote inclusion and integration for children and adults with special needs.
