

Understanding the Value of Hiring a Professional Cleaning Company

At Home Pride Cleaning, we understand that choosing a cleaning service is an important decision, and we believe in being transparent about what sets us apart. Hiring a company like ours is fundamentally different from hiring an individual cleaner.

What's Behind Our Rates:

Unlike individual cleaners, we have significant expenses that enable us to deliver exceptional service and peace of mind:

- **Team of Professionals:** Payroll for over 20 employees, including skilled technicians, a scheduling coordinator, office manager, commercial manager, quality control assistant, and marketing manager.
- **Credit Card Processing Fees:** As a convenience for our clients, we accept credit card payments, but the associated fees are a substantial expense we absorb to ensure a seamless payment process.
- **Ongoing Training & Expertise:** Our team attends national trainings to stay up-to-date on the latest cleaning techniques, surface care, and the science behind what we clean. This commitment ensures our methods are safe, effective, and cutting-edge.
- **Facilities & Utilities:** Costs like building rental, phone lines, and internet to support smooth operations.
- **Insurance & Security:** Comprehensive business insurance, bonding, and background checks through C4 Operations.
- **Premium Supplies & Equipment:** High-quality products, tools, and cleaning equipment to achieve sparkling results.
- **Technology & Marketing:** Investments in scheduling software, our website, and marketing to enhance your experience.
- **Community Engagement:** Hosting three major events annually at no cost to hundreds of families in our community.

Fair Wages for Exceptional Work:

Our technicians earn a percentage of your flat rate, with a goal of ensuring they make a fair and competitive wage in our industry. By comparison, the average individual cleaner earns \$20–\$30 per hour, while nearby companies charge upwards of \$60 per hour. We aim to sit in the middle, delivering exceptional value for you.

Our Commitment:

Every dollar you spend with Home Pride Cleaning goes toward ensuring not only a clean home but also a professional, dependable, and community-oriented service you can trust. We hope this provides clarity on the value you receive when working with us. At Home Pride Cleaning, it's not just about cleaning—it's about delivering peace of mind, supporting our community, and helping you focus on what matters most.
