Welcome to our Latest Bakery Catalogue

At Verona Eco, we continue to focus on sustainability, quality, service and innovation.

Sustainability and Quality

Our product range is selected with a strong emphasis on sustainability, featuring options that are:

- Made from Recycled Content
- 100% Recyclable
- Compostable or Biodegradable
- Paper and Board based Packaging

Committed to reducing environmental impact, we provide eco-friendly solutions without compromising on quality. We aim to supply packaging that supports a greener planet while keeping your bakery items fresh and appealing.

Service

We focus on exceptional service and on-time deliveries across the UK. With dedicated vans and reliable couriers, we meet your packaging needs with precision and care. Our team strives to understand and exceed customer expectations, making us your trusted partner for all food packaging requirements.

Innovation and New Product Development

As the bakery industry and consumer habits evolve, so do food packaging requirements. We stay ahead by exploring new products, testing their quality, and gauging consumer opinions. Our goal is to offer a comprehensive range of packaging, from everyday essentials to premium retail options, ensuring we meet all your bakery packaging needs with care and innovation.

Paper and Board Conversion

As an ISO 9001 Accredited Conversion site, we offer paper and board cutting to customer specifications using our advanced guillotine. Our Samco press produces high-quality greaseproof and silicone discs, tailored to your needs. Collaborating with our trusted paper and board suppliers, we deliver custom paper and board solutions. Committed to sustainability, we are exploring plastic-free board alternatives that maintain the same exceptional quality and grease resistance ensuring environmentally friendly options without compromising performance.
