

Films - Polypropylene

We have an increasing number of film's for wrapping on L-Sealers and Flow-wrap systems. These include plain and perforated, barrier film is also available. Also supply biodegradable flow wrap films.

Product Code	Plain Polypropylene
PPP190	190mm Plain polypropylene, 25 micron
PPP200	200mm Plain polypropylene, 25 micron
PPP220	220mm Plain polypropylene, 25 micron
PPP240	240mm Plain polypropylene, 25 micron
PPP300	300mm Plain polypropylene, 25 micron
PPP320	320mm Plain polypropylene, 25 micron
PPP350	350mm Plain polypropylene, 25 micron
PPP380	380mm Plain polypropylene, 25 micron
PPP400	400mm Plain polypropylene, 25 micron
PPP420	420mm Plain polypropylene, 25 micron
PPP480	480mm Plain polypropylene, 25 micron
PPP500	500mm Plain polypropylene, 25 micron
PPP510	510mm Plain polypropylene, 25 micron
PPP560	560mm Plain polypropylene, 25 micron
PPP580	580mm Plain polypropylene, 25 micron
PPP600	600mm Plain polypropylene, 25 micron
PPP660	660mm Plain polypropylene, 25 micron

Product Code	Perforated Polypropylene
PERF610MM	610mm P160 Perforated polypropylene

Product Code	Barrier Film
BARR400	400mm PVDC Barrier Flow wrap film, 32 micron

Product Code	Centrefold Polypropylene Plain & Perforated
CF400200	400/200 Plain Centrefold Polypropylene, 20 micron, 1,000 metre
CF500250	500/250 Plain Centrefold Polypropylene, 20 micron, 1,000 metre
CF600300	600/300 Plain Centrefold Polypropylene, 20 micron, 1,000 metre
CF700350	700/350 Plain Centrefold Polypropylene, 20 micron, 1,000 metre
CFP600300	600/300 Perforated Centrefold Polypropylene, 20 mic, 1,000 metre
CF700350XMAS	700/350 Christmas Design Centrefold Polypropylene, 20mic, 1,000m
