Scouting's Impact

Welcome to Scouting!

As a parent, you want your child to grow up to be a self-reliant, dependable and caring individual. But does Scouting really improve a kid's character? According to research conducted at Tufts University, the answer is YES!

The research studied 4,000 kids, some who are in Scouting and some who are not. The findings show that Scouting...

1. Includes sustained, positive adult-youth relations with caring and supportive adults
2. Promotes development of life skills through program activities
3. Provides leadership opportunities

Serving Today's Families through Scouting

Cub Scouting is fun for the whole family. In Scouting, boys and girls start with their best right now selves and grow into their very best future selves. It's fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.

SCOUT'S MOTTO

"BE PREPARED"

THE VALUE OF SCOUTING

Discovery is at the heart of Scouting. Whether it's a campout, derby car race, or hike on the trail, we believe every adventure helps us uncover a little more about ourselves. We build the foundations for humility and compassion—strengthening character through actions—to prepare youth for a lifetime of leadership.

Safety

In Scouting, we will not compromise the safety of our youth, volunteers, and employees. Safety is a value that must be taught and reinforced at every opportunity. We are all responsible and must hold each other accountable to provide a safe environment for all participants.

Our Mission

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Scout Law

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

Scout Oath

"On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight."

Become Your Best Self

Through fun yet challenging physical and mental activities, Scouting encourages personal growth by teaching youth how to set goals and achieve them with determination.

Diversity

The BSA promotes a culture where youth, volunteers, and employees feel a sense of belonging—where every person feels respected and valued. We welcome families of all backgrounds to help prepare young people to serve as successful members and leaders of our nation's diverse communities.

Fun for the Whole Family

Scouting is something the whole family can experience together. We designed our program so that anyone—brothers, sisters, mothers, and fathers—can have fun and make an impact!

New Scout Basic Needs

SCOUT LIFE RECOMMENDED

Scout Life Magazine is especially designed for Scouts!

With features such as camping around the world and hiking, hobbies such as model cars and boat building, bicycling, fishing and nature, and articles on current Scouting, sporting and new events, Scout Life has just about everything to offer your child.

Make sure on your application you mark the Scout Life square and put your correct mailing address. In approximately 2 to 3 months, your Scout will receive their first issue. This is one step you can take to make sure your child will receive a full year of great Scouting and a monthly reminder of the fun of Scouting.

HOW TO GET STARTED... BASIC NEEDS

Contrary to what your Scout may tell you, the first thing they will need to get started is not a uniform, but a book. The books in Cub Scouting are related to their age. Kindergartners will need a Lion Book, a 1st grader will need a Tiger Book, a 2nd grader will need a Wolf Book, a 3rd grader needs a Bear Book, and 4th and 5th graders will need a Webelos Book. These books contain the basics they will need for the coming year, especially the requirements for that rank.

CUB SCOUT UNIFORM

The uniform is an important part of the program and it represents an investment on your part. Our uniforms are of very high quality and, in most cases, will last for several years. So, be sure to buy one large enough for them to grow into.

Most new Cub Scouts will have to buy a uniform and our Council Scout Shop is the official distributor of BSA uniforms and equipment.

How Can I Help?

Scouting operates through volunteer leadership. Naturally, parents are the primary source of leaders in the Scouting program. You volunteer not only to serve Scouting, but also to help your child and their friends, and to have the chance to be a positive influence on the youth in your community.

WHAT DO I GET IN RETURN?

Being a leader is fun, challenging, and rewarding. Leaders find their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talents, and enthusiasm to Scouting.

- Fun and fellowship with other families, sharing your pride in the Scout's accomplishments
- The privilege of helping to enrich and strengthen families
- A chance to help Scouts learn good citizenship and to help shape them into men and women who have strength of character and are sensitive to the needs of others
- The opportunity to help make a difference in the lives of boys and girls as they grow strong in mind and body
- A code to live by which will set a worthwhile example for both youth and adults
