ANNUAL REPORT

2022

Dear Friends of MiraVia,

**“This is the day which the Lord has made;
let us rejoice and be glad in it.”**

-Psalm 118:24

As we celebrate a historic Supreme Court victory for life, and for the millions of babies whose lives will now be saved, we thank and praise Almighty God for His guiding hand in the decision, and Our Lady's powerful intercession. We also thank God for the countless Christians who never stopped praying, laboring and hoping for the end of Roe v. Wade over the past 49 years.

We begin a new post-Roe chapter in America with steadfast dedication to helping women choose life. Women facing unplanned or difficult pregnancies deserve to know there are meaningful resources available to help them. At MiraVia, we are working to raise more awareness than ever before about the free, long-term support that we provide to young mothers and their children.

Since 1994, MiraVia has provided housing, opportunities for education, and material assistance to over 11,300 mothers and children. The student mothers at our College Residential Program have come to MiraVia from nine states and 12 colleges. We are incredibly proud to continue this bold mission, and with this Supreme Court decision, MiraVia's work will become even more critical.

We especially want to thank you, our donors, for your generosity and steadfast prayers over the years that have led us to this day. Without your support, MiraVia would not be able to provide free room and board, food, diapers, baby supplies, life-skills classes, and long-term case management to college women and mothers in need. *On behalf of all those we serve, thank you.*

** Our Mission*

Respecting and affirming life from the moment of conception, MiraVia is a safe haven and source of hope for pregnant mothers and their children. Invoking a Christ-centered approach inspired by the examples of Mary and Joseph, MiraVia helps young families move toward a new life of hopeful, independent, and healthy living and educates the broader community on the importance of fostering a culture of life.

** Our Credentials*

MiraVia, Inc. is a 501(c)(3) nonprofit corporation operating in Charlotte, North Carolina. It was incorporated as Room At The Inn, Inc. by the Secretary of State in March 1994 and licensed by the North Carolina Department of Health and Human Services. The organization was rebranded as MiraVia in 2013. Since the first pregnant mother's admission in December of 1994, the residential program has served 590 mothers and children. The nonresidential outreach programs, established in July 2004, have served 10,755 mothers and children. MiraVia is a ministry of the Catholic Church and is listed in the P.J. Kennedy and Sons Official Catholic Directory. Pregnant women are served regardless of their economic, social, religious, racial or ethnic background.

** Our Services*

MiraVia's services provide hope and help not only to enable pregnant women in need to choose life for their baby but also to provide a future for that young life. Always mindful of our Catholic foundation, all programs are developed with a "Christ-centered" approach. Integrating emotional and material assistance as well as practical programmatic and life-skills support, both outreach and residential programs invest in the healthy futures of the mother as well as her child. No other regional program provides such extensive care.

College-Based Program...

“the next step in pro-life service...”

MiraVia's College-Based Program is specifically designed to meet the needs of pregnant college women, integrating both prenatal and postnatal services. Providing for the most abortion vulnerable population – pregnant college students – the residence in Belmont, North Carolina is equipped to house young mothers during their maternity and for two years after the baby is born. Housing, meals, professional counseling, professional case management, infant clothing and supplies, and extensive life-skills training in parenting, personal finance, nutrition, infant care, adoption options, and employment basics are all included free of charge. To be admitted to this program, mothers must be 18 years or older and an active student at a college or university. The primary objectives of this innovative program is to empower young mothers to choose life for their child, whether they choose to parent or allow someone else to parent their child through adoption, and to achieve their educational and professional goals. The MiraVia College-Based Program has been hailed by national pro-life leaders as “the next step in pro-life service.”

Outreach Program...

“bringing hope to those who have little...”

Focusing on pregnant women in need, the Outreach Program provides meaningful material, emotional, and programmatic support in both English and Spanish. Participants receive maternity clothes, baby clothes, diapers and baby furnishings, and many other household necessities. By attending monthly program sessions for one year, these mothers learn about health, parenting, nutrition, relationship building, ESL and a variety of other topics and community resources. Each mother builds a support community to rely on as she moves beyond this program. Both teen and adult mothers qualify for this free program.

*“...I will pray for you, for this new work,
and for all the mothers and children you
will shelter and love. God bless you.”*
