

MIRAVIA[®]

ANNUAL REPORT

2019

Dear Friends of MiraVia,

“Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven.” (Mt. 5:16) These words from Our Lord call each of us to be a source of light in a world that so often prefers darkness. A small group of people 25 years ago decided to answer this call and light the way for single, pregnant women, who were desperately searching for a “Room at the Inn.” From a small spark of an idea inspired by God’s grace, to a mission that has now served more than 8,800 women and children, MiraVia is proof that we can be the light in the darkness.

Reaching our 25th anniversary is truly a milestone to celebrate. It means that the first babies born at MiraVia could be starting families of their own! As one generation passes on the gift of life to the next, we see the importance of this work. Each time we serve a young mother at MiraVia, we also serve the countless generations to come after her. The legacy of MiraVia is life!

Thank you for being a part of this legacy. I am humbled by the generosity and steadfast support that has made MiraVia possible. From the founding members who launched this work, to a recent donor who gave because his mother once lived at MiraVia, every gift has become a light so that others may see. I pray that the good works of MiraVia will continue to give glory to Our Father in heaven, and inspire countless others to embrace the gift of life.

★ Our Mission

Respecting and affirming life from the moment of conception, MiraVia is a safe haven and source of hope for pregnant mothers and their children. Invoking a Christ-centered approach inspired by the examples of Mary and Joseph, MiraVia helps young families move toward a new life of hopeful, independent, and healthy living and educates the broader community on the importance of fostering a culture of life.

★ Our Credentials

MiraVia, Inc. is a 501(c)(3) nonprofit corporation operating in Charlotte, North Carolina. It was incorporated as Room At The Inn, Inc. by the Secretary of State in March 1994 and licensed by the North Carolina Department of Health and Human Services. The organization was rebranded as MiraVia in 2013. Since the first pregnant mother's admission in December of 1994, the residential program has served 558 mothers and children. The nonresidential outreach programs, established in July 2004, have served more than 8,800 mothers and children. MiraVia is a ministry of the Catholic Church and is listed in the P.J. Kenedy and Sons Official Catholic Directory. Pregnant women are served regardless of their economic, social, religious, racial or ethnic background. In 2017, MiraVia received the status of national accreditation through the Council on Accreditation (COA).

★ Our Services

MiraVia's services provide hope and help not only to enable pregnant women in need to choose life for their baby but also to provide a future for that young life. Always mindful of our Catholic foundation, all programs are developed with a Christ-centered approach. Integrating emotional and material assistance as well as practical programmatic and life-skills support, both outreach and residential programs invest in the healthy futures of the mother as well as her child. No other regional program provides such extensive care.

College-Based Program...

“the next step in pro-life service...”

MiraVia’s College-Based Program is specifically designed to meet the needs of pregnant college women, integrating both prenatal and postnatal services. Providing for the most abortion vulnerable population – pregnant college students – the residence in Belmont, North Carolina is equipped to house young mothers during their maternity and up to 24 months after the baby is born. Housing, meals, professional counseling, professional case management, infant clothing and supplies, and extensive life-skills training in parenting, personal finance, nutrition, infant care, adoption options, and employment basics are all included free of charge. To be admitted to this program, mothers must be 18 years or older and an active student at a college or university. The primary objectives of this innovative program is to empower young mothers to choose life for their child, whether they choose to parent or allow someone else to parent their child through adoption, and to achieve their educational and professional goals. The MiraVia College-Based Program has been hailed by national pro-life leaders as “the next step in pro-life service.”

Outreach Program...

“bringing hope to those who have little...”

Focusing on pregnant women in need, the Outreach Program provides meaningful material, emotional, and programmatic support in both English and Spanish. Participants receive maternity clothes, baby clothes, diapers and baby furnishings, food, and many other household necessities. By attending biweekly program sessions for up to a year, these mothers learn about health, parenting, nutrition, relationship building, ESL and a variety of other topics and community resources. Each mother builds a support community to rely on as she moves beyond this program. Both teen and adult mothers qualify for this free program.

“My time with you all has been a blessing and I will forever be grateful to have been able to join the MiraVia family”
