

MIRAVIA[®]

ANNUAL REPORT

2020

Dear Friends of MiraVia,

I am deeply humbled by your outpouring of prayers, material donations and financial support that makes the work of MiraVia possible. In a time of uncertainty and tremendous challenges, you reached beyond your own needs to ensure that pregnant mothers and their children would continue to find a safe haven and source of hope at MiraVia. On behalf of all those we serve, thank you.

The most common obstacles that single mothers face are financial stability and family support. MiraVia fills this need for the mothers we serve. One of these moms, Ashley, found our Residential Program just 30 days before eviction from her home. She told us, “[Mira Via] is like a miracle. I didn’t believe that this was possible or even existed. The best part about being at MiraVia is they gave me the opportunity to get on my feet. The opportunity to find a job, go back to school, to be able to have that one-on-one time with my children and not have to worry about all the major things in life.”

Last year, you helped 29 mothers and children to live in a safe and nurturing home while these student mothers continued their college education. Meals, childcare, life-skills classes and weekly case management give young families a way forward at our College-Residential Program.

Your contributions provided 792 mothers and children with much-needed essentials including diapers, groceries, formula, and clothing through our Charlotte Outreach Center to relieve clients’ daily challenges.

Together, we will continue to provide women the opportunity to embrace life, grow stronger every day as individuals, and discover God’s plan for their futures. What an incredible blessing to be part of their success!

Thank you for placing your trust in MiraVia to provide a “miraculous way” for the mothers and babies we serve.

In Christ,

Debbie Capen
Executive Director

P.S. Please mark your calendar for our 27th Annual Fundraising Banquet on Thursday, October 14, 2021 at the Charlotte Convention Center. We hope to see you!

Our Mission

Respecting and affirming life from the moment of conception, MiraVia is a safe haven and source of hope for pregnant mothers and their children. Invoking a Christ-centered approach inspired by the examples of Mary and Joseph, MiraVia helps young families move toward a new life of hopeful, independent, and healthy living and educates the broader community on the importance of fostering a culture of life.

Our Credentials

MiraVia, Inc. is a 501(c)(3) nonprofit corporation operating in Charlotte, North Carolina. It was incorporated as Room At The Inn, Inc. by the Secretary of State in March 1994 and licensed by the North Carolina Department of Health and Human Services. The organization was rebranded as MiraVia in 2013. Since the first pregnant mother’s admission in December of 1994, the residential program has served 567 mothers and children. The nonresidential outreach programs, established in July 2004, have served 9,199 mothers and children. MiraVia is a ministry of the Catholic Church and is listed in the P.J. Kenedy and Sons Official Catholic Directory. Pregnant women are served regardless of their economic, social, religious, racial or ethnic background. In 2017, MiraVia received the status of national accreditation through the Council on Accreditation (COA).

Our Services

MiraVia’s services provide hope and help not only to enable pregnant women in need to choose life for their baby but also to provide a future for that young life. Always mindful of our Catholic foundation, all programs are developed with a “Christ-centered” approach. Integrating emotional and material assistance as well as practical programmatic and life-skills support, both outreach and residential programs invest in the healthy futures of the mother as well as her child. No other regional program provides such extensive care.

College-Based Program...

“the next step in pro-life service...”

MiraVia’s College-Based Program is specifically designed to meet the needs of pregnant college women, integrating both prenatal and postnatal services. Providing for the most abortion vulnerable population – pregnant college students – the residence in Belmont, North Carolina is equipped to house young mothers during their maternity and up to 24 months after the baby is born. Housing, meals, professional counseling, professional case management, infant clothing and supplies, and extensive life-skills training in parenting, personal finance, nutrition, infant care, adoption options, and employment basics are all included free of charge. To be admitted to this program, mothers must be 18 years or older and an active student at a college or university. The primary objectives of this innovative program is to empower young mothers to choose life for their child, whether they choose to parent or allow someone else to parent their child through adoption, and to achieve their educational and professional goals. The MiraVia College-Based Program has been hailed by national pro-life leaders as “the next step in pro-life service.”

Outreach Program...

“bringing hope to those who have little...”

Focusing on pregnant women in need, the Outreach Program provides meaningful material, emotional, and programmatic support in both English and Spanish. Participants receive maternity clothes, baby clothes, diapers and baby furnishings, food, and many other household necessities. By attending bi-weekly program sessions for up to a year, these mothers learn about health, parenting, nutrition, relationship building, ESL and a variety of other topics and community resources. Each mother builds a support community to rely on as she moves beyond this program. Both teen and adult mothers qualify for this free program.

“...I will pray for you, for this new work, and for all the mothers and children you will shelter and love.

God bless you.”

Saint Teresa of Calcutta to our staff in April 1994.
