Highlights

We want to thank our Students who participated in the Richmond Heights Summer band camp. These students helped

to build a band program in the community helping to get more than 60 middle and elementary school students involved in music. Ana Chazzanes, Thaddeus Luces, Reinaldo Velez, Tyrese Williams and Ke'moni Moore. We thank you!!

Parents

We will be meeting Tuesday, August 15 at 6:30pm in the Booker T. Washington High school Band room. Please come out and support your children as we walk into our first football game this Friday. Also, the President of the P60 Booster Club inc. has been working very hard along with her E-Board, which you will meet at the meeting.

Supplies

The band is in need of numerous items that will help with the nourishments of the band members. Your generous donations will be greatly appreciated.
