FEEL aDep

Multi-vendor Cash Management Solution

FEEL aDep is a seamless plug-and-play cash collection solution designed for cash services providers, such as banks, CITs, and retail business owners facing the challenge of managing large daily cash volumes. With GRGBanking's comprehensive management solution, you can quickly implement a next-generation, highly efficient cash management system on your multi-vendor cash deposit machine (CDM) fleet within days.

FEEL aDep Multi-vendor Cash Management Solution

A Versatile Managing Platform

FEEL aDep is a robust monitoring and comprehensive operation management system for multi-vendor CDMs. This versatile platform can efficiently manage not only GRGBanking's CDMs but also those from other vendors. It offers advanced features such as terminal remote monitoring, patches distribution, cash pick-up management, cash reconciliation, ticket tracking, E-journal, and OCR management, ensuring a seamless and efficient cash deposit experience.

Reliability: The FEEL aDep platform ensures real-time synchronization of module statuses from each machine to the server. Meanwhile, it monitors and records the entire cash storage, transit, and handover process as soon as cash is deposited into the machine.

Visibility: FEEL aDep platform offers a user-friendly UI to users. The SDK of it makes customizable graphic dashboard and dynamic index exhibition possible, to help users capture key information easily.

Convenience: After-sales support and maintenance are carefree and convenient with FEEL aDep platform. Patches dispensing, remote upgrading, remote fault diagnosing etc, all functionalities of FEEL aDep platform provide utmost security and convenience to users.
