

COMPLIANT PREPARED TRUSTED

BHCHS supports mission-critical operations with fast-access medical kits, regulatory alignment, and procurement-grade packaging. All products are compliant with OSHA 29 CFR 1910.151(b) and ANSI/ISEA Z308.1 standards and are available via contract-based ordering with bulk pricing options for federal agencies.”

“We align with the U.S. Department of Labor’s safety directives, FEMA’s emergency preparedness protocols, and GSA procurement standards to deliver scalable first aid and consulting solutions to agencies at every level of government.”
