**From the Director**

Wyoming Food Bank will be at Rendezvous Pointe on Thursday, December 1st, 2022

Dear Friends of Rendezvous Pointe

Sue Eversull and her staff have worked hard to create the new menu you see in this edition of the newsletter. We hope you enjoy all the offerings they have put together for your enjoyment. Let us know what you think.

Another change on the horizon is that beginning December 1<sup>st</sup> we will be limiting our takeout meals to twenty-five reservations. We really want to encourage more of you to come inside to eat.

For a second time Rendezvous Pointe wants to recognize Linda and Ed Trimmer as our volunteers of the month. Linda, Ed, thank you so much for your constant help on behalf of this organization. We are sincerely grateful to you both.

Who's the mystery woman?

Winding down the Fall season, the Centennial Barn Dance and our last big concert of the year with Dan Miller's Cowboy Music Revue! Last warm day to eat outside!

## Sublette County Centennial

The last event that the Sublette Centennial Celebration Committee will sponsor is the Historic Swearing In of the Newly Elected Sublette County Officials. This ceremony will take place in the Courtroom of the Sublette County Courthouse in Pinedale, Wyoming on Monday, January 2, 2023. On this same day in 1923, the first Sublette County Elected Officials were sworn in. The agenda and time of the ceremony will be announced at a later date. Refreshments will be served!

### One Day in My Life

By Caryn Murdock Bing

There are so many days in our lives we can remember, and many of us have had exciting adventures. There is always some place to start. I will tell about the first day of my life, as it was told to me by my mother. I was born on a ranch on the Green River at a place called the Forks of the River, where the New Fork River runs into the Green. I think I was a lucky person to be born, grow up and live my first twenty years in such a beautiful place. We had a view of the Wyoming Range to the west and the beautiful Wind Rivers to the northeast. I was born on July 27, 1909. In those days, the women didn't travel to the hospital to have their babies. There was usually a home delivery with friends in attendance. My parents made preparations for my birth. There was only one doctor around in those days and that was Dr. John W. Montrose. Doc Montrose lived on a ranch just above Daniel, but he served any part of the Green River Basin to which he was called. As with any doctor in this huge area, the problem in getting him was to find him quickly when needed. Dr. Montrose owned a fine little ranch and was an enthusiastic outdoorsman. He loved people, whoever and wherever they were, and always enjoyed visiting. My folks made arrangements to have Doc Montrose come to the ranch the last part of July. He did come and spent almost two weeks at the ranch awaiting my arrival. This was the time when the gooseberries were at their best, so Doc had to have something to do besides fish with Grandpa Wardell. So, he picked gooseberries. My mother said she made so much jelly and jam from the gooseberries she didn't know what to do with it all. I'm sure it was put to good use. In years to come, we often talked about Dr. Montrose and his antics. We kids would refer to him as "Dr. Gooseberry."
