## From the Director

Hello Everyone,

Big news to report is that Holly Hansen has accepted our offer to become Rendezvous Pointe's new kitchen manager. We are happy to have someone with Holly's character and skills become a part of our team.

Holly will be backed up by our new assistant kitchen manager, Kerri Anderson who you all know. Please introduce yourselves to Holly when you come in for lunch.

On another note, I want to let everyone know that June is going to be a bit of a difficult month for

Rendezvous Pointe. The biggest issue being that the dining room floors are going to be resurfaced on June 5th and the dining room will be closed for the entire week so the floor can dry. Lunch however will be served in the living room area for dine-ins. This means that we need to cancel the take-out meals at the front door from June 5th thru June 12th. Take-out meals will resume on June 13th. Also on June 30th we will once again not be offering take-out meals during Sue's retirement celebration lunch.

Day before concert emergency with Donnie of Cook N Cowboys - Tim made a phone call to Vince and Mindi, they would be happy to fill in the group for Wednesday night! - Danny and Tim arrived early and got the stage set up - Vince and Mindi arrived a few hours before start time, Danny met them for the first time! - Tim got them set up - quick jam session, - Get some harmony tactics figured out - See how they sounded together - Concert starts and it sounded like they had been playing together for a long time! That was one amazing concert folks and lots of fun!! Sorry if you missed it!

**A work in progress!!**

The Sable Stitchers have worked hard on their new quilt for 2023!

These ladies are a fine tuned machine when it comes to quilt making! Each quilting session gets them closer to the finished product!! This quilt was one of their biggest challenges yet to make, it required designing and adapting a different pattern to what they started with originally. They are very gifted sewers and are very knowledgeable when it comes making alterations necessary for their patterns.

Great job ladies!!

It's coming along quite nicely!

**WOW !!!**

As soon as it gets quilted and the Stitchers are satisfied, they will start selling the raffle tickets. We will let you know when the raffle tickets go on sale!!

As all of you know Sue Eversull will be retiring June 30th. Sue is not disappearing; she is just going to hand over the reins of managing the kitchen to Holly Hansen and give herself the opportunity to spend more time with her family. Sue has expressed a desire to come in and help from time to time and we have accepted her offer, so you will continue to see her at Rendezvous Pointe.

Sue has been the backbone of Rendezvous Pointe's kitchen for over two decades preparing and serving meals with her signature care and pride and commitment to Sublette County seniors. If one was to do the math and consider just how many meals Sue has prepared and served for the citizens of this county, the number comes in at close to 750,000 meals. Job well done Sue. Thank you so much for all your hard work on behalf of so many.

On Friday, June 30th, 2023 Rendezvous Pointe will be hosting lunch in Sue's honor. At that time, we will be wishing Sue well on her last official day as Rendezvous Pointe's head cook and kitchen manager.

On this day we will not be offering take-out meals. Please make your reservation just as you would for a birthday lunch. We look forward to seeing you there and we know Sue will as well.

**Coffee & Conversation**

**Will take a break and return in September!**

Getting up early to attend Coffee & Conversation is a great way to start your day!! Our guests give us so much information and educate us on a wide variety of topics. Repeat guests bring us up-to-date on local matters and projects too. Come join us when we return in September. The coffee will be ready!!

**In Memory of Dorothy Selman**

Dorothy's fun and vibrant personality showed in most of her very bright, beautiful, colorful and sometimes whimsical art work. She was a ray of sunshine to all of us in the Wednesday Art Group.

Rest in Peace dear friend.

No News is Good News

because we are then able  
to avoid the constant stable  
of stories about shootings  
and those about lootings  
and stories about documents  
and the illegal occupants  
who flood across our borders  
and disobey orders  
who want to make homes here  
because living in daily fear  
from gangs has become too much  
trying to avoid their threatening touch  
or the photos of dying and destruction  
where the need is for construction  
one country invades another without cause  
and does not abide by conventional laws  
fires consume innumerable family homes  
floods destroy like wicked gnomes  
tornados lift houses into the air  
and we rejoice that we are not there  
weather creates the perfect storm  
that gives exception to the norm  
wind blows the semis over on the freeway  
allows no traveler the slightest leeway

**"We need the shirt off your back!"**

Sign up for the apron making class on Friday, June 9th from  
10:00am - 12noon. Instructor is Pam Kirkpatrick. Bring two shirts with  
collars to make the apron. If you can, bring scissors, rotary cutter, long ruler,  
cutting mat and thread. If you don't have all of the above, not to worry,  
Sable Stitches will have what you need.

What a practical and fun project!! This would make a great gift for  
a man or woman, Christmas will be here before we know it!

**Beauty in the Morning**

The best time of the night  
is at the dawning  
when the Sun is on the rise  
to show a brand new morning

Sometimes red clouds appear  
in the early morning light  
but the sun is quite persistent  
until she pops up very bright

The sky's a perfect blue  
the Sun keeps gaining height  
we're blessed each and every morn  
as we slowly leave the night

The best part of the night  
is the early morning light  
especially when all is well  
and everything is quite alright

## What a Dad Really Is....

A dad is someone who wants to catch you before you  
fall but instead picks you up, brushes you off,  
and let's you try again.

A dad is someone who wants to keep you from  
making mistakes but instead lets you find your own  
way even though his heart breaks in silence  
when you get hurt.

A dad is someone who holds you when you cry, scolds  
you when you break the rules, shines with pride when  
you succeed, and has faith in you even when you fail.
