

GREAT FARM RIFLE CLUB RULES

1. All shooting will be limited to current members and their accompanied guests. All members must fill out the sign in sheet and all guests must submit a waiver form when using the range (for each occurrence).
2. All members will maintain control of the actions of their guests at all times, ensure their waiver submission and oversee their compliance of these rules.
3. It is required to have your GFRC membership card in your possession while using the facilities.
4. Shooting hours are from 8 a.m. until 15 minutes after sunset. (No night time shooting).
5. Eye and ear protection must be worn by all persons on or near the firing line.
6. Firearms must ALWAYS be pointed downrange or in a safe direction.
7. Courtesy, common sense, safe firearms handling and communication are required by all persons on all firing lines.
8. All members have the authority to oversee, coach and make judgments on unsafe actions.
9. Do not leave loaded firearms unattended. Firearms not in use, must have the action opened, be cleared, the magazine removed, and/or they must be cased.
10. No firearms shall be loaded on the line nor aimed/pointed downrange while persons are downrange.
11. The range status sign will be set to the appropriate condition when persons are downrange and when firing.
12. No persons are to forward of the firing line during firing.
13. Illegal firearms or illegal destructive devices are strictly forbidden from the premises. All Federal, State and Local laws must be obeyed at all times when on the range.
14. All targets. Are required to be placed so that rounds fired at them travel directly toward/into the designated berm.
15. All rounds are to impact at least three feet below the top of the berm.
16. Glass, household appliances, televisions, batteries, anything that will leave sharp pieces or hazardous waste, and exploding targets are restricted from use as targets.
17. Pick up your brass, targets, and trash when done so others will not have to.
18. Tracers and/or incendiary ammunition are prohibited.
19. The use (or shooting under the influence of) intoxicating substances is prohibited on the premises.
20. Firing into the lateral protective berms, from either side, is forbidden.
21. Clay targets being thrown are to be done on the left side of the covered firing line, with shooters parallel to the firing line and clays traveling downrange.
22. Club-owned steel targets are to be used no closer than 100 yards and in accordance with all other GFRC steel target rules. Non-club-owned steel targets are subject to the limitation and usage directed by their manufacturers: homemade steel targets no closer than 50 yards.
23. Avoid placing targets in the path of the backstop supports. Conduct leading to reckless destruction of the target backers is forbidden.
24. The use of shotshell on club owned/maintained target backers is strictly prohibited. If you wish to pattern a shot gun, member must bring a self-owned backer, used against the berm. Slugs are still permitted.
25. Hunting, Trapping or other non-legitimate target practice activity is prohibited on GFRC property.

**THESE RULES ARE FOR THE SAFETY AND BENEFIT OF YOU, YOUR GUESTS, OUR NEIGHBORS, AND THE CLUB. DISREGARD FOR THEM MAY RESULT IN MEMBERSHIP REVOCATION (2026).*
