The Brahman Foundation INSPIRED - EBBA & Local 4-H clubs to partner for the NC 2020 Livestock show season

The Eastern Brahman Breeders Association is honored to have The Brahman Foundation as a Premier Grand Champion Show Sponsor. The Brahman Foundation represents a group of dedicated and esteemed Brahman Folks who understand the importance of inspiring and mentoring our Brahman Youth. The EBBA shares these same goals and beliefs and we have taken steps to make a difference in our area. We are still in the planning stages and there will be a big meeting in November to work out the details. Our goal is to have Brahman Breeders in the EBBA place at least a dozen Brahman heifers with these 4-H'ers to show in 2020, their show season includes over a dozen shows and if we can successfully have at least ten heifers at all their shows they will add a Brahman Class to their shows. Currently there are no Brahmans being shown, only fluffy hairy heifers are being shown. In addition the EBBA will offer scholarships for these 4-H'ers to compete for at the culmination of their show season. There are many details to work out but the enthusiasm this program has already received is fantastic and we plan on this being our "pilot program" and hope to create a program that we can grow all over the Eastern part of our country.

A Big Thank You to our Premier Partnership Sponsor
