Thanks to our players and retailer partners, last year alone Washington's Lottery was able to generate more than \$217 million for programs that benefit communities throughout the state. With those funds the Lottery was able to pay college tuition for more than 9,900 Washington residents, provide \$40 million to the state's [Early Childhood Education and Assistance Program](#), contribute to Washington's Economic Development Account, combat problem gambling in the state, and so much more. Nearly 40 years since its creation, Washington's Lottery continues to make a difference in Washington State.

Statistics and figures are from the 2022 Washington's Lottery [Annual Financial Report](#). Results may not equal 100% due to rounding.
