

WHERE THE MONEY GOES

WHO BENEFITS FROM MICHIGAN LOTTERY?

Every time you play the lottery, it's a win for Michigan. Each purchase benefits K-12 education, local businesses, and companies that employ Michigan residents.

Michigan Lottery contributed almost 1.25 billion to the state of Michigan School Aid Fund in fiscal year 2022.

For every \$1 spent on Lottery 63 cents goes to prizes, 25 cents goes to the School Aid Fund, 9 cents goes to retailer and vendor commissions, and 3 cents is used for Lottery operations.

About 10,500 businesses throughout Michigan earn commissions on the sale of Lottery products as licensed retailers. Lottery sales provide a year-round revenue stream for small and large businesses alike. In the last decade, more than \$2.6 billion in sales commissions and bonuses have been paid to these businesses.
