TERMS AND CONDITIONS

Gosford Hill Equine Services LTD aims to provide high quality veterinary health care. For this reason, our fees and trading conditions (detailed below) are structured to allow the Practice to provide this service. We invest in modern facilities for the benefit of all our clients, and the service we offer is constantly reviewed and improved.

1. Clients are requested to settle their account after each consultation or upon receipt of invoice; should your animal need a course of treatment, payment will be required after each consultation unless previously agreed in writing with the Practice Manager. All operations and hospitalisation fees must be paid in full at the time your animal is collected. Estimates can be printed, if requested. If your animal is insured, we would ask that payment be made to us in full before claiming from your insurance company. Payments can be made by cash, cheque or debit/credit card over the phone or in person.

2. Gosford Hill Equine Services LTD reserves the right to pass unpaid accounts to debt collectors/solicitors for recovery/legal action to whom we may assign the debt, and all rights, without restriction.

3. In the event of late payment, interest will be charged at a rate of 2% per month so long as the account remains unpaid. We will also require you to pay our expenses and legal costs incurred in taking steps to obtain payment on an indemnity basis. This will include costs for returned cheques, correspondence and legal notices, finding you if you have changed your address without notice, as well as third party costs incurred in the collection of unpaid accounts.

4. If the account is not settled, Gosford Hill Equine Services LTD reserves the right to ask you to find another Veterinary Surgeon to treat your animals for routine problems. You will be informed of this by letter and given one week's notice to do so.

5. By completing the registration form you agree that we may collect information from the Electoral Roll and search the files of a Credit Reference Agency, which will keep a record of the search. In the event of the account being unpaid as per clause 1, relevant details may be recorded with any agency. Any information supplied may be used for debt tracing and fraud prevention.
