SecureOne Plan's dental network is one of the largest in the state! You will receive a list of contracted general and specialist dentists. Then it's up to you to choose your own dentist. SecureOne Plan gives you the freedom to choose and change dentists at any time without notifying the plan.

ELIGIBILITY

There is no waiting period! As soon as you receive your SecureOne Plan member I.D. card, you may make an appointment with a contracted SecureOne Plan dentist of your choice.

DENTAL SAVINGS

SecureOne Plan has negotiated discounts on contracted dentists' fees. This means that your first visit alone will likely save you more than the cost to join! Most services you need are listed. However, any services not listed on the copay schedule are covered at a 20% discount off of the dentists' fees.

SPECIALISTS

A participating general dentist will be able to provide most of your dental services. However, if you should need the services of a specialist, you will be responsible for the specialist's charges less the contractual SecureOne Plan 10-25% discount.

*Discounts are not insurance.
