Recording Studio

Home recording studio is an isolated room with acoustic wall panels and ceiling tiles.

- Microphone: RODE NT-1 (5th Generation) with Pop Filter
- Audio Interface & Software: VOLT 1 / Audacity
- Music: Licensed user of Soundstripe <https://app.soundstripe.com/> and can add background music of your choice.

Work History

- Over four decades in the financial industry as a Financial Advisor, Qualified Plan Specialist and Director of Broker Dealer Services for a FinTech Company. This included hundreds of public speaking engagements and product/training demonstrations.
- Eleven years in the Army National Guard, including six years as a TAC Officer (Drill Instructor) for the Pennsylvania Army National Guard Officer Candidate School (think a combination of Lou Gossett Sr. in “An Officer and a Gentlemen” and R. Lee Erme in “Full Metal Jacket”).

Hobbies/Special Interests

- Cross Country Motorcycle Touring, Downhill Skiing, Craftsman/Woodworking Home Improvement
