

CONSCIOUS UNCOUPLING

Divorce & Breakup Workshop

Every 3rd Saturday at 1PM

Hostessed by Patricia Sciarrino, JD, MCLC
Master Certified Life Coach &
Former Practicing Family Law Attorney

Whether you are teetering on the edge of a troubled relationship, are in the midst of a breakup, or dealing with the aftermath of a recent split from a significant other, come join us for an hour of connection, support and healing.

Each month, we will share experiences, ideas, and suggestions about approaches to ending a romantic relationship in peaceful and respectful ways. Ways in which your dignity is preserved, and you can move forward with a fresh mindset. We will also explore different tactics to help you perhaps remain friends with your ex and even co-parent if you have a child in common.

The moderator of this monthly event will be Patricia Sciarrino, a master certified life coach, who will contribute her unique insights and perspective as a local family law attorney for over two decades with the group. Patricia's experience will help you remain focused on creating a new life and better future.
