

## Content Sheets for All Books

The **Content** for all the *Phonics at your Fingertip Books™* are listed in this packet.

Each set of books has two sheets, except for the Kindergarten Book.

- 1) The first sheet shows the **Content of the Student Book.**
- 2) The second sheet shows the **Content of the Teacher Manual.**

Many of the common concepts are taught in most of the books. The vocabulary increases as the Book Levels increase.

**Important fact to remember:**

**The sequence of teaching the lessons is given in the Teacher Manual.**

Free samples sheets from each of the books can be downloaded from the website: [fingertipbooks.net](http://fingertipbooks.net)

## Symbols which occur in this book:

- C - consonant (Cle-consonant le)
- (\_) - represents the sound (k)
- (-ck) the dash before a letter indicates that this letter combination will come at the end of a word
- (wr-) the dash after a letter indicates that this letter combination will come at the beginning of a word
- . (bottom) the dot is symbol to represent the schwa sound
- the dot is placed between syllables in syllable division
- v\_e - vowel consonant e (make)
- / - the slash separates the common spellings from those not used as frequently (i, i\_e, igh, y/ie, y-e)
- vccv - vowel consonant consonant vowel
- vcv - vowel consonant vowel

My Individual Spelling (M.I.S.).....	109

### Symbols which occur in this book:

- C - consonant (Cle-consonant le)
- (.) - represents the sound (k)
- (-ck) the dash before a letter indicates that this letter combination will come at the end of a word
- (wr-) the dash after a letter indicates that this letter combination will come at the beginning of a word
- . (bottom) the dot is symbol to represent the schwa sound
- the dot is placed between syllables in syllable division
- v\_e - vowel consonant e (make)
- /.....- the slash separates the common spellings from those not used as frequently (i, i\_e, igh, y/ie, y-e)
- vccv - vowel consonant consonant vowel
- vcv - vowel consonant vowel
