are welcome to attend.**

Compatriots,

We have enjoyed a strong start to the new year as we posted over 200 flags on Confederate graves in the Tyler area in observance of Confederate Heroes day on January 19th. In addition, we held our monthly meeting on January 22, 2026 where details were shared concerning our hosting of the upcoming 129th Annual Texas Division Reunion. Speaking of the Reunion, I am pleased to announce that the website for the Reunion is up and running. On the site you can register for meals, find agenda information, and purchase tickets for the upcoming bus tour. Only 55 seats are available on the bus so if you have an interest now is the time to register.

We also rejoice over the acquisition of the domain name for our camp website, and our purchase of a sound system for camp events in the future. This is an exciting time for our camp, as we work together to "Keep the Charge"!

Smith County Confederate Veteran Spotlight...

Finis Ewing Fox Gaston 1849-1913

Private, 1st Mississippi Infantry - State's Troops

Finis Ewing Fox Gaston was born in Louisville, Mississippi on 7 October 1849. He was the first of six children born to the Ebenezer Gaston (1820-1885) and Margret Caroline Fox (1823-1862). Louisville, MS was a small community in Winston County named in honor of Louis Winston, a prominent lawyer and Mississippi Supreme Court Judge.

When the war began in April of 1861, Finis was only 12 years old. As the war continued and the situation became dire for the Confederacy, Charles Clark, Governor of Mississippi, on August 1, 1864, called out every able-bodied man in the State to repel the Yankee invaders. Under this call the First Mississippi Infantry State Troops were organized under the command of Colonel H. W. Foote. Little information on the specific service of this unit survives in historical records. Most of the 1864 State Troops saw little serious action, often remaining in camps. The remaining State Troops were officially disbanded when Confederate forces in the Department of Alabama, Mississippi, and East Louisiana surrendered on May 4, 1865. When Finis Gaston volunteered to serve Mississippi he was only 15 years old.

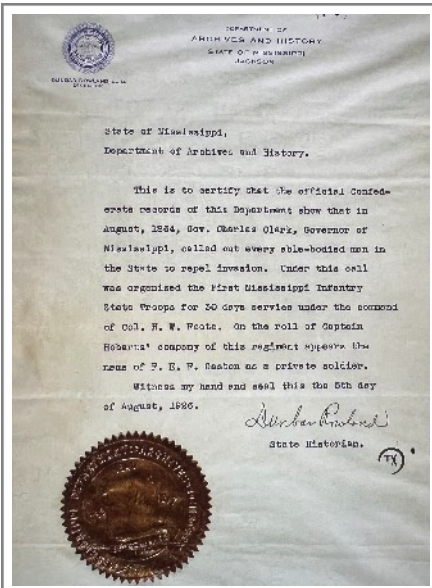

After the war, he graduated from the Baltimore College of Dental Surgery on 1 May 1870. The College was the world's first dental college, and was the foundation of modern dental education with a science based curriculum, it eventually became the University of Maryland School of Dentistry.

He married Miss Bessie Clarinda James in 4 May 1876, in Nashville, Tennessee. To this union God gave six children: Thomas, Margret, Roy, Bess, Finis and Alliene. Dr. and Mrs. Gaston moved to Tyler, Texas after their marriage and Finis practiced dentistry in the same downtown Tyler office for the next 36 years. The Gaston Family lived in a home located at 522 N. Bois d'Arc Street. The home was located just across the street from the Goodman mansion as Mrs. Goodman was the cousin of Finis Gaston.

Finis Gaston's wife was approved for a Confederate widows pension in 1920. She received \$25.00 per month until her death in 1932.

Finis Gaston and his wife Bessie, are laid to rest at historic Oakwood Cemetery in Tyler, TX.

Note: His child, Alliene Gaston Coker, was a life long Tyler. She lived to be 100 years old, and passed away in 1991. She buried in Rose Hill cemetery in Tyler, TX. She was the first woman elected as an officer of a Tyler bank. She worked for 44 years at Peoples National Bank, finishing her career as Assistant Vice President in charge of new accounts. Many family members still reside in the Tyler area.

Things You Should Know About Our Camp Namesake... Walker's Greyhounds

- ◆ Walker's Greyhounds were the only division in Confederate service composed, throughout it's existence, of troops from a single state, **TEXAS**. To include **seven regiments** which held companies of men from **Smith County**.
- ◆ The division's first commander was **Major General John George Walker**.
- ◆ During it's time in the Confederate army, the unit was commonly called the “**Greyhound Division**” or “**Walker's Greyhounds**,” in tribute to its special ability to make long, forced marches from one threatened point to another in the Trans-Mississippi Department.
- ◆ Initially, the division was 12,000 strong, and boasted regiments composed of men from East, Central, North, and South Texas. As a result it is likely that more Texans descend from ancestors which fought in **Walker's Greyhounds** than any other unit in the proud military history of Texas.
- ◆ The division played a pivotal role in the **1864 Red River Campaign**. Fighting ferociously on the right flank at **Mansfield**, where they routed the Yankees. The next day, at **Pleasant Hill**, Walker's Greyhounds charged into the center of the Federal line, where the Greyhounds again drove back the invaders. The Confederate victory in the Red River Campaign, saved Shreveport, LA; Marshall, TX; and Tyler, TX from the torch of the invading Union army.

Membership in the Sons of Confederate Veterans is open to all male descendants of any veteran who served honorably in the Confederate armed forces. Membership can be obtained through either lineal or collateral family lines and kinship to a veteran must be documented genealogically. The minimum age for full membership is 12, but there is no minimum for Cadet membership.
