

Friars Cove Equity Membership meeting
Monday, July 7, 2025

Attendance:

Laura Saverino

Linda Durec

Stephanie Ganakos

Tony Gonzalez

Jaime McGovern

Sandy Dony

Sheri D'Ambrose

Debbie Proske

Doug Proske

Jennifer Wachholz-Bero

Mark Calabrese

Ivana McGovern

Meeting called to attention @ 7:40 P.M.

4th of July- Mark Calabrese:

Great work to the "committee" who worked to align the parade and food trucks

Discussion on how to protect the pool from firework debris will be discussed; maybe a tarp of sorts?

Sheri D'Ambrose spoke on the 4th:

Raffle baskets- Cove members voted to maintenance the park and the mulch- raised \$1,549.50

For next year they would like to discuss the 4th event beginning in April with the hope to bring back a 4th of Cove past vibe so the members can socialize.

Sheri D'Ambrose spoke on the park mulch:

Karen Grady obtained mulch quotes and contacted St. Phillips School on contacts for park since they updated theirs in the recent past.

Timberland quote / Will also required weed barrier

Was thinking maybe we can offer a split the pot to raise the additional money needed for the mulch. Will create flyers or email for the entire Cove subdivision to ask for contributions.

Sale prices on the mulch are expiring and would like to move promptly to get all the events in motion.

Pool - Mark Calabrese:

will be doing a sign in sheet when guards are on duty so they can learn the members and people at the pool.

Treasurer - Doug:

will work with the park mulch as the money is turned in for checks to be submitted to the company chosen to complete the work.

Membership discussions:

Linda Durec - Santa Claus outfit is needed for our annual Christmas with Santa event. Was discussed to look for pricing options.

The flick and Float will be August 8th and she will make a flyer to send out to the Cove.

Fence discussion was initiated to be added to the list of Cove projects for the short fence.
