Friars Cove Lodge NON-Resident Membership Application 2026

Non Resident Name: _____

Address: _____

Phone: _____ Email: _____

Member Sponsor: _____

How many family members reside in your home for this membership? _____

Friars Cove Lodge will be opening, on a trial basis, nonresident membership applications limited to 10 in total for our 2026 season.

Applicant must be sponsored by a current Friars Cove Member.

Membership Includes:

- Use of our swimming pool for the 2026 season during all open hours for your immediate family living in your household.
- 5 free swim guest passes per week.
- Additional guest swim passes may be available for purchase depending on time of year and pool usage. We want to ensure our bather loads remain safe and comfortable for all swimmers.
- Your immediate family residing in your home will also be invited to all of our Friars Cove membership events and parties such as: Family Halloween Party, Breakfast with Santa, Easter Party, our amazing July 4th celebration, Bunco, Bingo, Poker and more. These events vary from year to year depending on volunteer event leaders stepping up.
- One Friars Cove Lodge rental at 50% off the non-member rate.

All things going as planned, with no surprises, our pool should open Memorial Day Weekend and remain open through Labor Day Weekend (sometimes beyond!). We do our best to staff the pool with certified lifeguards throughout the season, but there will be times, especially when they leave for college, that the pool will be unstaffed but remain open for members to swim at their own risk.

Nonresident membership rate is \$1,000 payable to Friars Cove Lodge or via Zelle to Treasurer@friarscove.com.

There is no deadline to submit your application, but once it is received, the Friars Cove Board has 3 days to review the application and respond. If your membership is approved, once payment is received in full, your family is welcome to begin using and enjoying our swimming pool, park, pond, and grounds for fishing and ice skating too.

Membership applications should be placed in the Friars Cove Lodge mailbox located on the front of the building.

Sponsored membership can be revoked at any time by a 4/5 board vote for any reason, including failure to adhere to Friars Cove rules. Should the membership be revoked, the member is not entitled to a refund.

All adult members of the household applying for membership must submit a copy of their driver's license showing residency.
