

**FOOD PANTRY
DRIVE THRU**

Tuesday mornings are full of activity at ICOA! Approximately 250 families receive food from ICOA's weekly Food Pantry Drive Thru. ICOA is grateful for its partnership with the Harvesters Food Network, area

churches, and many individuals who donate food. While registering for food, our neighbors have the opportunity to share prayer requests. Our neighbors appreciate the prayers and the food!

Immanuel Community Outreach Association (ICOA) works to serve and share Jesus by impacting and supporting the Kansas City, Kansas Argentine community spiritually, educationally, physically, and emotionally.

SUPPORT BY VOLUNTEERING

Volunteers help ICOA run smoothly and serve Jesus in the Argentine community! ICOA invites you to join its volunteer team, either by yourself or with your group from church, school, or work.

RETREAT & EVENT SPACE

Do you need overnight accommodations? ICOA has two rooms with bunk beds that serve up to 28 guests, as well as spa-like shower facilities for overnight groups who want to volunteer in the area or visit Kansas City. Plus ICOA rents a personal retreat space for one or two people.

Do you need a location for a party, a family reunion, or a quinceañera? ICOA's parish hall may be perfect for your gathering.

Serving Jesus in The Argentine Community

ICOA's Start

ICOA had its start in the building of the first Lutheran Church Missouri Synod (LCMS) congregation in Kansas City, Kansas. That church was begun by German immigrants in 1884. Today ICOA supports two LCMS congregations. On Sunday at 11:00 am, God is worshiped in a bilingual service in Spanish and English. On the first and third Sundays of the month at 9:30 am, God is worshiped in English, and via a conference call format in English every week of the month.

Bebés Felices

Also on Tuesday mornings, many parents pick up a monthly allotment of 75 diapers to help their children be clean, dry, and healthy. Through its partnership with HappyBottoms, the Kansas City area diaper bank, ICOA provides diapers to over 300 young children a month.

Become a U.S. Citizen

FREE UNITED STATES CITIZENSHIP CLASSES

Our neighbors enjoy living in the United States and many want to become naturalized citizens. ICOA provides free U.S. citizenship classes to meet that need. ICOA ends classes by praying The Lord's Prayer in English.

breaking the cycle

cultivating healthy relationships

ICOA knows parenting is fun and rewarding but it also comes with many challenges. Those are increased when the parents experienced trauma or poor parenting as a child. ICOA offers an 8-week parenting class to help break the cycle of dysfunctional parenting and help parents create good habits, set ground rules, deal with family conflict, celebrate success, and more. The parents in these classes often share the positive impact this information has made in their family!

Many of ICOA's neighbors in the Argentine community are native Spanish speakers. They know the importance of learning English to communicate with their children's teachers, and with store keepers; and to obtain better jobs. To meet this need, ICOA offers free beginning and conversational English classes. ICOA ends classes by praying The Lord's Prayer in English.

**GIVE,
GATHER,
& SERVE.**

Every week, ICOA makes a positive impact on the lives of more than 1,500 people through its food pantry, diaper distribution, classes, and worship services. You can help ICOA make a positive impact on the lives of more people! ICOA needs: prayers for God's guidance and blessings, volunteers, financial donations (scan the QR code) and donations of food, diapers, and office supplies.
