

GGMC Ride, Sunday, 15 February 2020  
Magnolia Place Restaurant, Winder, GA

Hi all, we have a new destination for the ride this Sunday Feb 16th, weather permitting. It is a short ride (only about 85 mile round trip, going the long way to Winder and back) to Magnolia Place Rest. in Winder. The weather report keeps changing, for the better, but I'll make a final decision on the ride by Friday morning. If there is a cancelation, I will email. If the ride is on, we will meet at the usual McDonalds (4915 Sugarloaf Pkwy, Lawrenceville) for KSU at 10am. Pre-ride meeting at 9:50. The ride there will be mostly south of Hwy 316 and the ride back will be north of Hwy 316. Attached are the GPS files and the turn by turn instructions for you to review. Hope to see yall there. Feel free to contact me if you have any questions or are going to meet us part way there.
