

AUTUMN 2025

Firstly a huge thankyou to all those who tirelessly volunteered their time to prepare and help out at both Futures and the “Big One”, the CCI. The Quantity of competitors were down on previous years but most certainly not the quality. What a treat it was to watch the International level horse and rider combinations getting around our beautiful course, also to see our very own riders shining in their own right. Capel hosted it’s second Hack Show with lots of positive feedback from competitors, a credit to Chryssy who organised/ran the show with help from a handful of members. With more exciting events to come, pop the dates below in your calendar and get involved. It feels as if it has been an age since our last rally, hopefully we will see all our enthusiastic riders and their family/friends this Friday for a Very special combined Anzac Parade and Rally.
