STATE DRESSAGE 2024

WELCOME

Spring is here! With a flourish of warmer weather our beautiful grounds are “growing”, not just the spectacular new clubrooms but the lush grass also. Whenever you are able, all hands on deck are needed to jump on a mower, sling on a whippersnipper or grab a brush and paint can to help get the grounds ready for upcoming events this season.

Our Club members have been busy through the winter months, achieving some amazing results and making our club and all its supporters exceptionally proud. Even just getting to these events is an achievement. Let's all have a fun filled remainder of 2024 and remember;

*“The only difference between try and triumph is a little umph”*
