## WELCOME

With the end of 2024 edging closer, we have only a few events left on the calendar. Do not miss the opportunity to be apart of history with our clubs major milestone **50th Birthday Celebrations**. ALL past, present and future members are invited to come along and help celebrate in our NEW Clubrooms on the 1st of December. The Sunday will also be our Wind-up and AGM, get down to CH&PC and see where you might like to get involved with this Amazing club for 2025. There will be the addition of Sub-committee's next year to enable everyone to find a role that suits them and help run the events which allow us to have continued access to our great coaches and help grow our club into the future.
