As of Monday they should have the shirts by 9/13. Will start printing beginning of next week and should have the shirts by next Wednesday (9/18) so the 5th graders can wear them for the field trip next Thursday (9/19).**</p> <p><b>Family Game Night</b> Still need a few volunteers. Keesecker and Fleig are the BINGO callers. Carr can come for the beginning (registration table). Jennifer and Nicole will hand out pizzas.</p> <p><b>Fall Festival</b> Coming up fast. First meeting is 9/13 at noon in the workroom. Does anyone have a connection to the face painting people? Martin can talk to the Brown's about it. Does VHS or DeLaura have an art department that would want to do the face painting? Maybe UCF for volunteers? No skill required for the hair spray paint station - just need volunteers. Maybe talk to the culinary arts programs (local) to get baked goods. The bake sale did not do well last year - they were with the vendors, rather than with the food. Bounce houses will be staffed by the company so teachers won't have to staff them. Put the dunk tank by the flagpole - needs to be in the sun. The previous DJ has retired. Need a new one. Martin has a contact and will reach out. Make a Facebook post for volunteers for the dunk tank. Put food trucks out front so people can see them, but we do need seating for people to eat. Maybe put the dunk tank out by the kindergarten playground - lots of sun and then people can see the new playground. For the book sale we will ask people to clean out bookshelves and donate the books to our booksale. No vendor tables - people can eat in the cafeteria. Maybe SpinArt as a craft for the Fall Festival. Maybe a selfie station? Rock painting station?</p> <p><b>5K Update</b> Pepsi will donate a large number of bags of chips for the 5K. Waiting to hear from Krispy Kreme about donut donation. Produce Place will be asked for fruit for at the race. There's an Entenmann's over in Rockledge that might donate (Martin). Only 35 teams with a total of 148 people signed up. More reminders needed. Next week we will have some 6th graders help advertise and sign people up. There are teacher and student prizes available. Postcards can go out next week.</p> <p>Can we get a few golf carts to monitor the course and help people back if there are people with health issues? We will check with Ann. Promote!!</p> <p><b>Audience Questions/Comments</b> Seibert - Kindness Club donations for Bahamas Relief (35 kids, 40 kids, 60 kids this year - growing); partnering with PAC on service learning projects - running through end of September; also working on the Kindness Rock Garden (Valderrama will help with materials to spruce things up)</p> <p>Walmart will accept up to 25 requests for money throughout the school year.</p>
