

Suntree Families!

It's hard to believe it is time to start preparing for the upcoming school year! Final Registration will take place Thursday, August 1st from 8:00am-Noon and 3:00pm-7:00pm. Final Registration is for ALL students including Kindergarteners. Even if you've already completed the registration forms and returned them to school, you will still need to come to Final Registration. There are many other stations that must be completed before the first day of school, including finding out teacher placements (grades 1-6).

Station 1 consists of new student registrations, returning student registration forms and all ELO student registration contracts. Everyone has to visit Station 1 first. When you visit Station 1, you will bring in any registration forms that you haven't completed yet, including your driver's license and a **JULY** utility bill that shows your address. Some of you turned in a utility bill back in May, however, the District requires us to collect current utility bills to verify eligibility. You must complete Station 1 first, in order to proceed to the cafeteria.

If you would like to get a head start on Final Registration, we are offering you the opportunity to come in **now through July 31st to complete Station 1** only. We will then give you a "fast pass" which will allow you to go straight to the cafeteria on August 1st. This will alleviate the possibility of waiting in long lines in the front office. Our summer office hours are Monday through Thursday from 7:30am-3:00 pm. We encourage you to get your fast pass to make your registration day as quick and easy as possible.

Please Note: You must bring in your driver's license and an original utility bill – copies and screen shots will not be accepted.
