

DYE MY HAIR

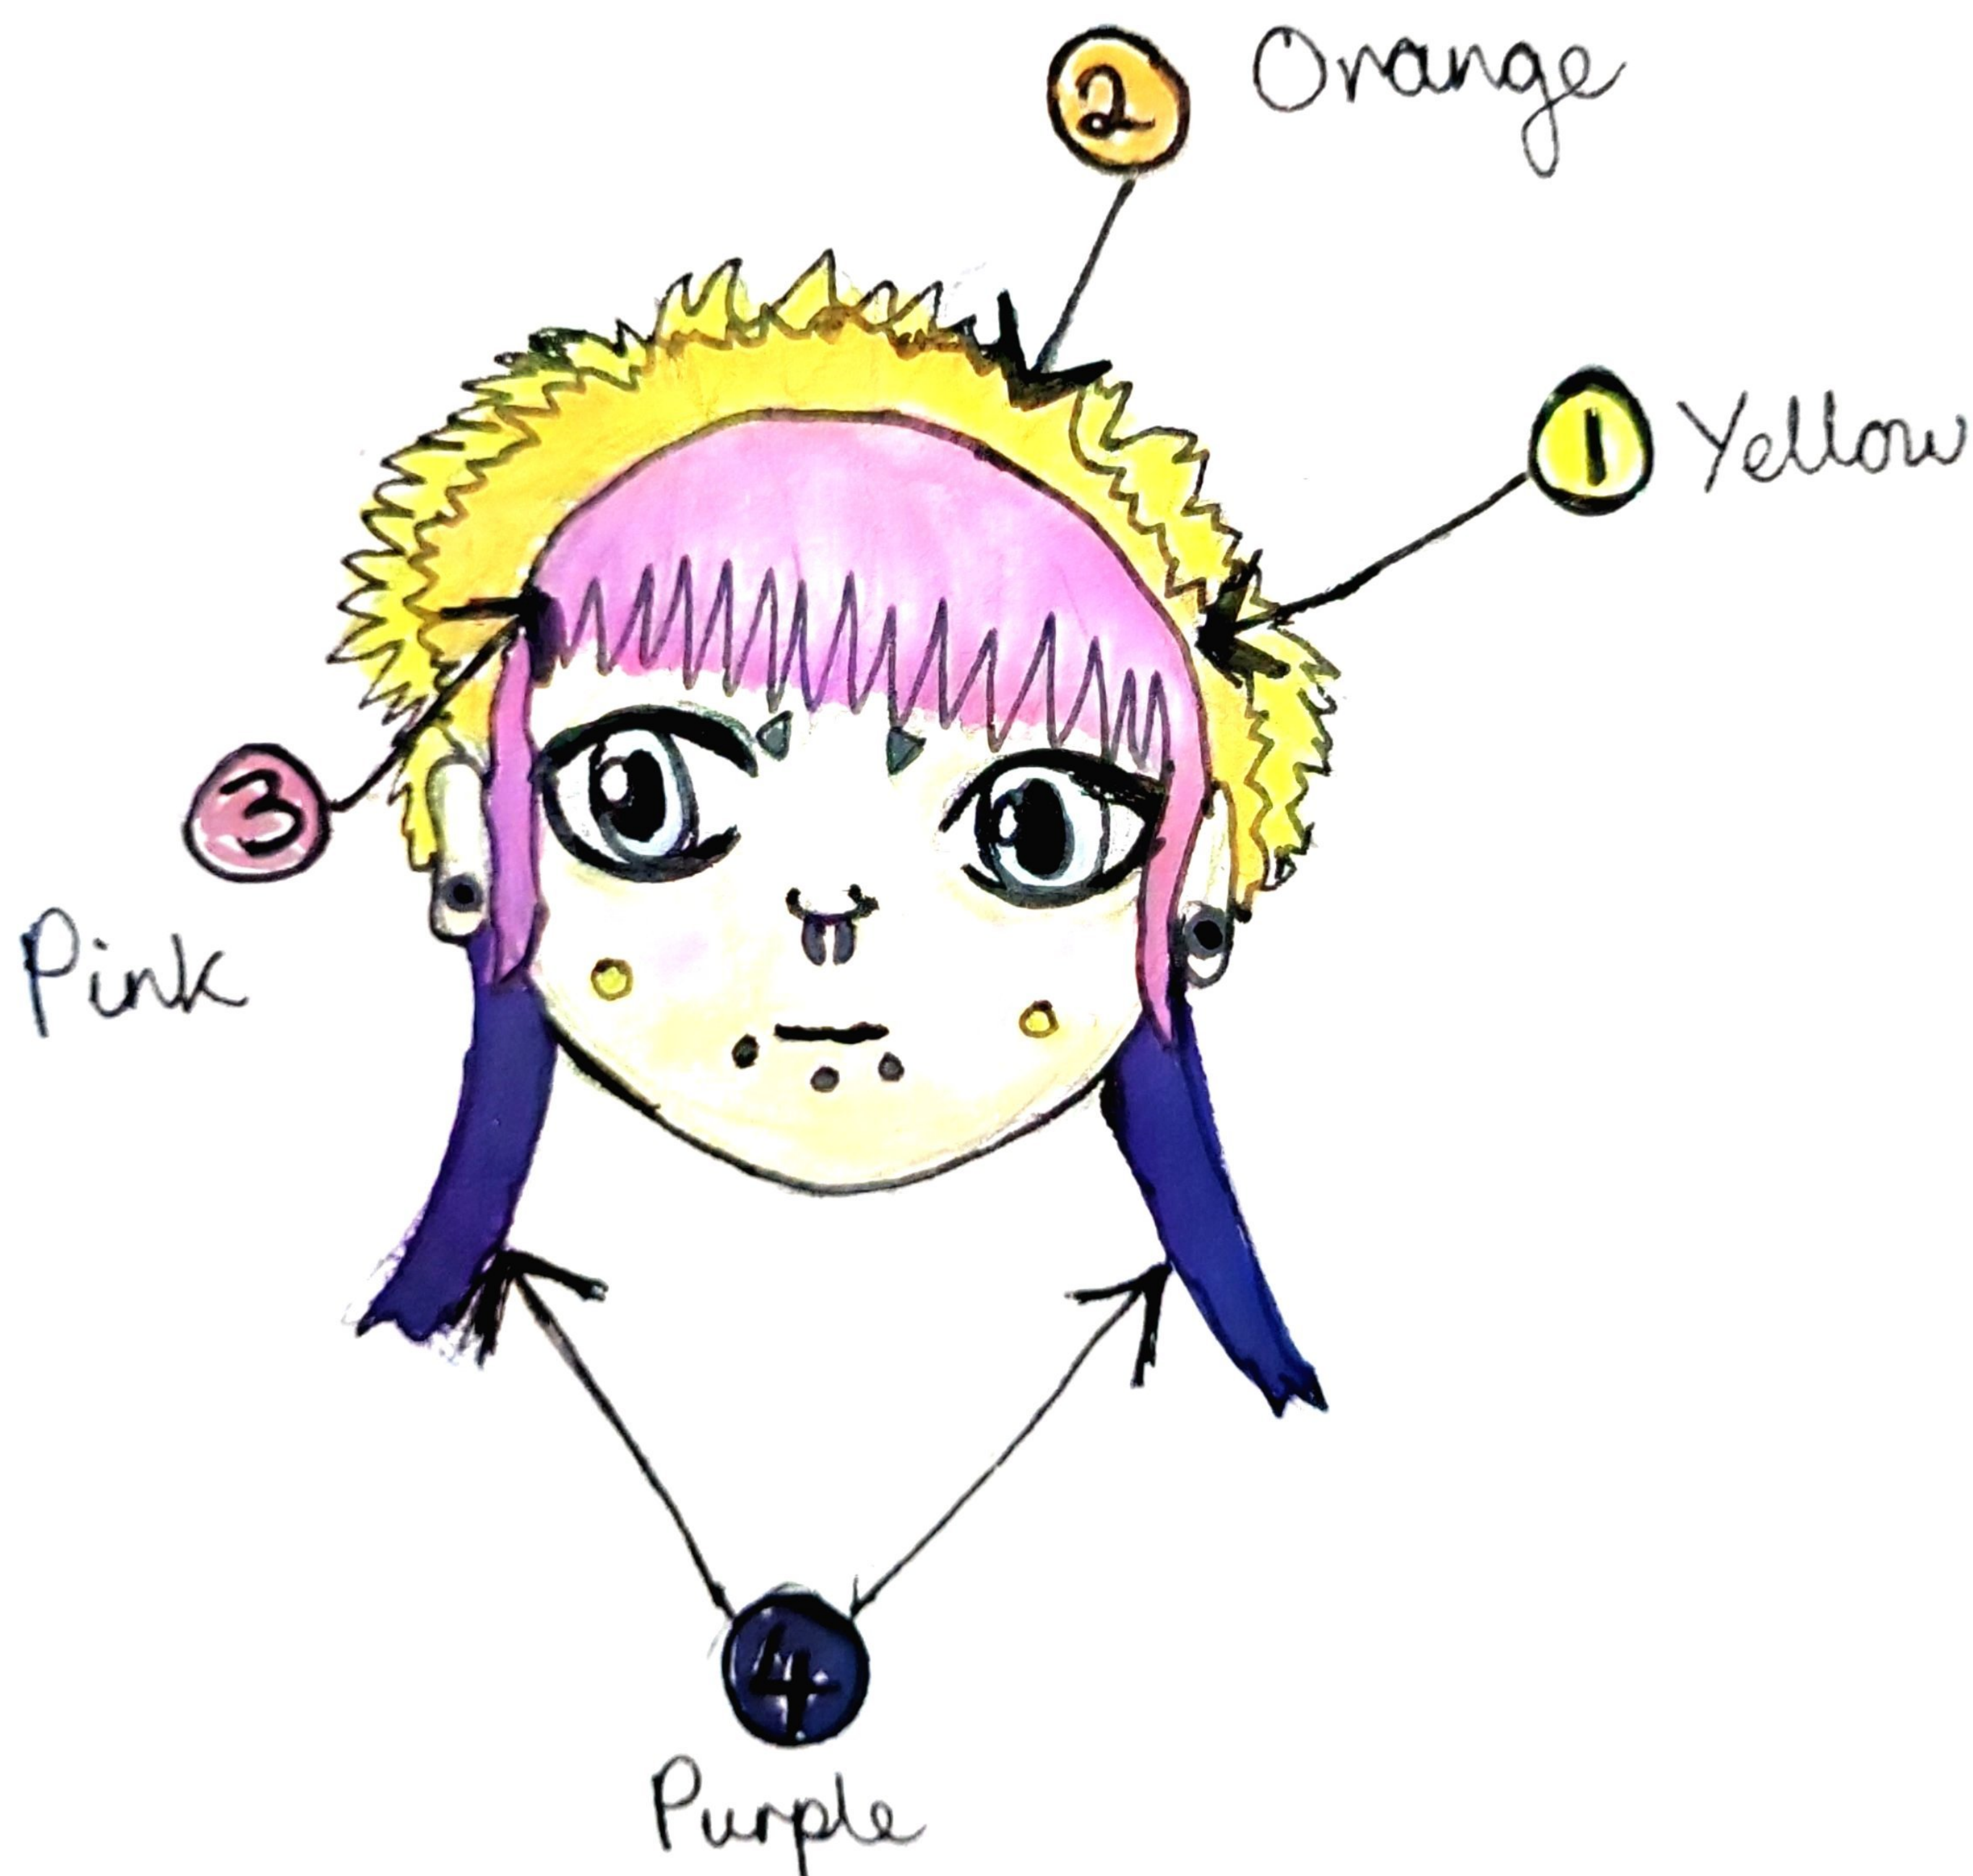

WITH ME!

First, I mix together the bleach cream and powder and apply it to my head. I leave it on for 20-30 minutes, then rinse it off in the shower.

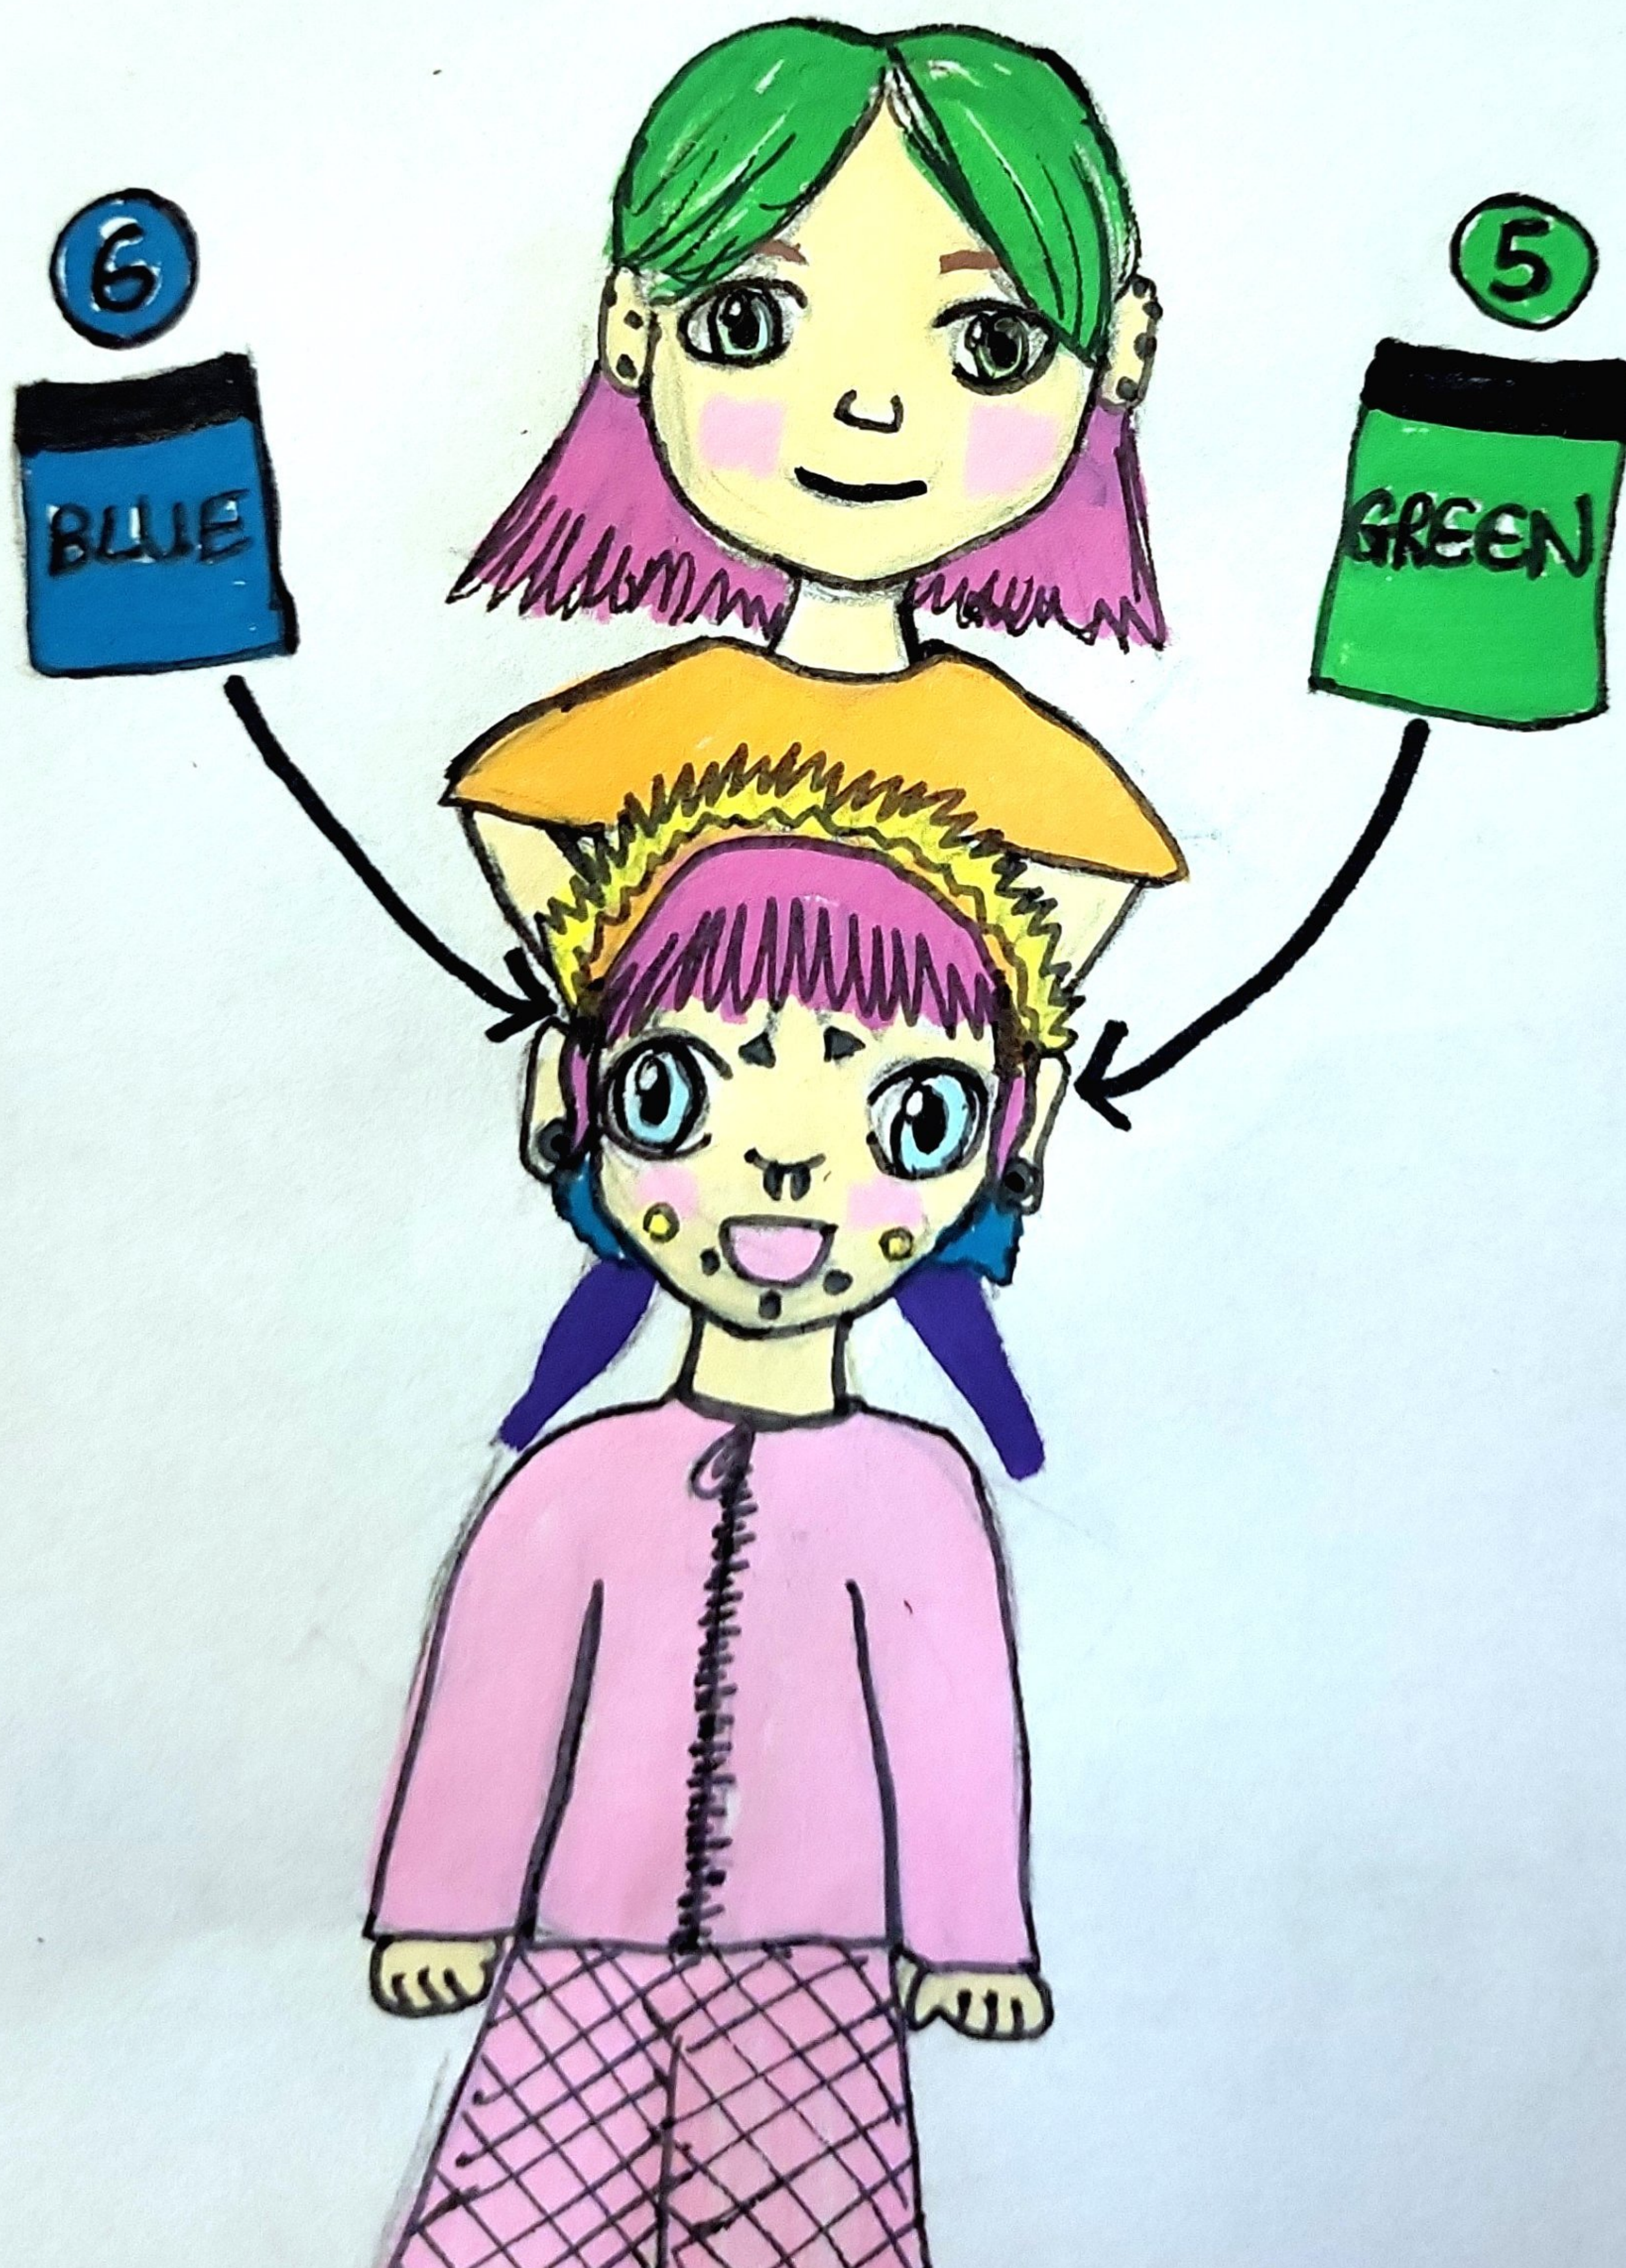

Now my hair is bleached, I can add the colour!

I start with the yellow, as that's the lightest, then orange, pink, and purple at the back.

I then rinse the brush before asking my trusted girlfriend to help with the colours I can't see in the mirror - blue and green!

I leave it in for an hour or so - who's counting?!
Then rinse it out in the shower again.

AND THAT'S IT!
